The Palestine Economic Policy Research Institute (MAS) was founded in 1994 as an independent, non-profit institution to address the socio-economic policy making process through appropriate and relevant applied economic and social policy research.

**MAS MISSIONS:**

- Bridging the gap between research output and the policy and decision-making process through applied socio-economic research to assist in the formulation of rational policies and appropriate legislation.
- Identifying developmental challenges and priorities and enhancing applied research.
- Providing technical support to PNA bodies (executive and legislative), the private sector, and NGOs to enable them to function more effectively and enhance good governance.
- Promoting the participation of civil society institutions in socio-economic policy formulation and decision-making.
- Broadening public debate on socio-economic issues and ensuring oversight of public performance.
- Disseminating information and enhancing public awareness, transparency, advocacy, and accountability.
- Strengthening socio-economic policy research capacity and institution building in Palestine.
- Sponsoring and training young Palestinians in socio-economic applied research by including them in MAS research teams.
- Attracting expatriate Palestinian, Arab and international economists, social scientists, and experts to contribute to and review MAS research.
- Promoting links with local, regional and international policy research institutes and academic institutions in economic and social fields.
